

## Jacksonville Area Center for Independent Living 2018 WHEELATHON FUNDRAISER

**WHEN: SATURDAY, JUNE 9**

**WHERE: COMMUNITY PARK**

**TIME: 9:00A.M. TO NOON**

**THEME: *DISABILITY FESTIVAL***

<<<< JACIL is a not-for-profit which depends a great deal on state grants. We play a vital role in advocating for people with disabilities to be active, participating members of their communities. The current State budget impasse significantly limits the services we can provide - services needed to ensure that people with disabilities have the same range of choices everyone else has. That means in housing, transportation, education and employment, and participating in the social, economic and political life of the community.

The Wheelathon is very important for our success, and we would be delighted to have you as a partner:

- ✓ Register a team to solicit sponsors for your walk/wheel around the park (free picnic lunch and free t-shirt for those with at least 5 sponsors)
- ✓ Make a donation of any size
- ✓ Be a major sponsor (\$250 or more)
- ✓ Buy or sell tickets for our 50/50 raffle
